## Mailing

We recommend using USPS Priority mail with Delivery Confirmation. Your order will remain safely in our local post office until we pick it up, which we usually do daily, Monday through Friday. We use a small town post office staffed by wonderful people. We've never had an order that was mailed to SuperiorSlides, nor an order we've mailed to a customer lost, a 100% perfect record!

If you prefer to use UPS, FedEx or some other carrier please "Contact Us" for our street address. These carriers will not deliver to a PO box.

You may cut off the bottom portion of this page and use it as a mailing label. Please use clear carton tape to attach it to your box and be sure to cover the label completely with tape so it is waterproof.
